

Rally Cross will be run in a regular BAC Rally Cross 2018/2019 season format. However some changes have been added to fit Conrad Quarry.

Presented By: Bluenose Autosport Club

Organizer: James and Cathy Partridge, Ron McKenzie

Registrar: James and Cathy Partridge

Location: Conrad Bros Ltd, 31 Cono Dr, Dartmouth, NS

Description: Please follow the road directed with pylons to Registration and Waiver signing. From Registration you will be directed to trailer parking and competitor parking. **Please do Not drive around the quarry, go directly to the site only!** Course location is in the same area as last season.

Speed limit in the quarry must be obeyed. All other areas of the quarry are Off Limits. STAY OFF the gravel piles, do NOT climb for any reason.

Conrad's will require a noise restriction. They are working on a land development and area residents have put forward a noise concern. It is important we do not give them anything to complain about. There is a need for intact street muffler systems.

12.4.4.1 The maximum permitted noise level from the exhaust system during any transit shall be 94 dbA from a distance of 3 meters (10 feet).

12.4.4.2 The maximum permitted noise level from the exhaust system with the engine idling at 3500 RPM and the vehicle stationary shall be 86 dbA, measured from a distance of 15 meters (49 feet).

Come out and volunteer! Unfortunately there are no spectators. Contact Cathy Partridge if interested. Email: vp@bluenoseautosport.ca.

Conrad Brothers have been wonderful to us and the rally community. Please be on your best behaviour while on their property. We ask that everybody be on site by 9:45AM and prepare to spend the entire day on site.

Competitors will need to provide on Rally day:

- \$20 per driver
- MUST BE A MEMBER OF AN ATLANTIC REGION MOTORSPORT CLUB. BAC club memberships will be available on site.
- driver's licence
- vehicle registration (if the vehicle is road licenced).
- if the owner of the vehicle is not listed as the driver or passenger, a written authorization from the owner of the vehicle is required.

- for any participant (driver or passenger) under the age of majority (i.e. 19), a written permission signed by a parent or guardian.

****No part of the this event will take place on public roads, so your car does not need to be street licenced or insured****
