

August 25<sup>th</sup> 2019

Dear Rally Community,

The Bluenose Autosport Club Performance Rally Committee has made a difficult decision regarding the 2019 Trout Lake Rally. The Rally scheduled for the October 5<sup>th</sup>/6<sup>th</sup> weekend will be relocated to the Kennetcook area.

Unfortunately this decision had to be made as the road permissions in the Middleton area have not yet been solidified. We want to be fair to the competitors, volunteers & venues, and provide appropriate time for alternate arrangements to be made.

There will be a Regional Event in the Kennetcook area for the October 5<sup>th</sup>/6<sup>th</sup> 2019 weekend. More details will be shared as they are confirmed, with Supplementary Regulations to be sent out as soon as they are ready.

Thank you for your understanding, and we'll see you on the rally roads!

BAC Performance Rally Committee
